

## Al Gore is visiting Slovenia on 10 December

**Former** US Vice President and Nobel Peace Prize winner, **Al Gore** is visiting Slovenia upon an Invitation **of Diners Club Slovenia**. The environmental activist will join holders of Diners Club Exclusive card on **10<sup>th</sup> December** in Ljubljana fairgrounds.

In the time of the global **financial** and **economic** crisis and environmental challenges **Al Gore** represents one of the leading proposers of a new view of the world.

He will also meet Slovenian businessmen and politicians. At the same time his documentary "**An Inconvenient Truth**" will be represented as well.

**Al Gore appeals** to the viewers to change the way of their livings or we will destroy the planet. The **greenhouse** effect and **global warming** are really problems.

The polar **ice caps** consist of **millions** of **tons** of **ice**. If they melt the level of the sea **will rise** and cause terrible **floods**. Many scientists, as well as Gore, believe that **temperatures** have already **risen**. We must do everything to prevent **global warming**. We also must protect the **rainforests** which give us many plants, which are **needed in medicine**. The rainforests are a huge **warehouse** of **oxygen**, which is the most **important** gas in our **atmosphere** and it can **help** us **breathing**.

But **who** will **start changing** the world? Although Al Gore appeals against the pollution **he uses** his **private plane** to **travel** around the world.
