We're nearly there!« Nathan said: » Me, too!« Melanie and Nathan are talk a lot. Katherine thought: »Boys always like Melanie, not me! At home, Melanie always had two or three boyfriends at the same time!«

Nathan and Melanie talk about his friend and climbing. After that, they come to campsite. Minutes later, a tall young man arrived at the caravan door and asks for his friend Nathan. Katherine said: »He's getting some water. Are you Jon? Nathan told us about you! You missed the bus.« Jon said: »I didn't try to catch it.« Katherine said: »Here's Nathan now.«

The girls are hungry, but the shops are closed now. The boys invite the girls to dinner. When they finished eating, they to agree that tommorov to go for a drink.

The next day the girls went walking. They watched the climbers, and they found the lake near the mountain.

»Perhaps Jon and Nathan wouls like to go swimming with us,« Melanie said in the caravan that evening.

Where were Jon and Nathan? The girls were ready for a drink. They waited, but the boys didn't come. Perhaps they forgot about the girls. Melanie said: » Perhaps we've got to meet them at the pub.« Katherine put the note opn the door: We waited for you! We'll be in the pub! K&M

The pub was busy, but Nathan and Jon werent there. The girls wait in pub, but the boys didn't come. » Let's go back!« Katherine ssaid. At the way back they meet boys. The boys explain why they didn't come to pub. They couldn't find a path to the campsite. They are hungry, the girls bought some food. Melanie did the cooking and Katherine talked to the boys. Conversation was easier with Jon, Katherine thought.

The girls said: »We're going swimming tomorrow morning. Will you come with us?« We'd love to come, but you have to come climbing with us in the afternoon.«

Next morning they go swimming. They have a vonderful time. Melanie was with Nathan and Katherine was with Jon. In the afternoon the girs heard what the boys talking about they. Nathan said: »Melanie's pretty. But...« Jon said: »But she is a flirt!« Yes, but that's OK. But she only thinks about clothes and boys. And she knows she's pretty. She wants men to fall at her feet!«

»I'm going back to the caravan!« Melanie said, angrily. »Wait!« Katherine cried and ran after her.

Later the boys come to look the girls. »Melanie's not feeling very well.« said Katherine.

Katherine go climbing with boys. They were in the mountain now. »Am I stupid? I'm only doing this because I want a boy to like me!« Katherine thought. They looked down and saw Melanie on a chair in the sun. Boys asks Katherine what is really going on. Katherine told them everything. »Oh dear,« Nathan said. So you didn't hear everything? Nathan thinks that Melanie is nice, He really likes her. He said that too.« said Jon.

Nathan going back down, because he want talk to her. Jon and Katherine going back too. At the way down Jon fell. He broke his leg.

Nathan explain Melanie everything. They looked up to the mountain and Melanie said: »Something's happened!« They phoned Mountain Rescue. The helicopter come and took Katherine and Jon away.

When Melanie and Nathan arrived at the hospital, they found Katherine with Jon. His hand was in his. »My leg's broken in two places,« Jon told them. »But the doctors say they can move me home at the weekend.«

Katherine was all week in the hospital with Jon. Melanie and Nathan swam or walked.

It was finish the holidays. The girls were quiet on the long bus journey home. »They won't forget us,« Katherine said. »Will they?«

»No, of course not!« Melanie said carefully.

After a month, Katherine visited Jon. She met a lot of his friends. She wrote long letters to him, and he wrote long letters too. Melanie and Nathan spoke often on the phone. But they didn't visit or write. Before Christmas, Melanie had a new boyfriend and Nathan had a new girlfriend.

At New Year, Jon visited Katherine. The visit was good, but conversation wasn't always easy. They didn't talk about future.

After Jon went back to university, they stopped writing letters and they found other friends. Of the four young people, only Jon sometimes thought about the summer at Kirkloch. When his leg hurt, he remembered his week with Katherine. That summer, he really fell for her!
