

SOMETHING ABOUT ME

I'm Eva. I'm almost 15 years old. I live in a house (with my family) in Ljubljana - Trnovo. I have one sister and two half-brothers. One of my brothers lives in Florida he went to college, but he works there now. The other one have three sons and he lives in Ljubljana-Fužine.

I'm a vegetarian-so I don't eat meat-because animals are my friends and I don't eat my friends. I like eating healthy food- a lot of vegetables- and I love yoghurts.

Now something about my ambitions and interests. I love animals and I have a dog. Her name is Rika, she is 2 years old and she is very frisky and lively. When I grow up, I want to be a vet- because I want to help animals.

My hobbies are: learning French- it is very beautiful language and it's fun, playing viola, horseback riding- I like spending my time with animals.

My favourite season of the year is summer- I like it very much- the weather is sunny and hot. I like going to the seaside and sunbathing.

In my free time I like telephoning with my friends, going for a walk with my dog-because it's relaxing me, going out with my friends, cooking- I like to cook desserts- and the most often one: listening to music. Like most of girls I like shopping. Me and my mum often go to mols-and I like to feel comfortable in my clothes.

That's all about me!
