

1st wedding of Angus and Laura on May 1st

Charles is a best man and he is always late. He is late on this wedding too. When he comes to the church he notices that he forgot the rings. Then they find some big, plastic rings of some guests and give them to the bride and groom. After the wedding he goes with his friend on a party, instead going with Carrie—an American woman who he met at the wedding. When he drives away with his friends he decides to go back to a hotel called Lucky Boat where Carrie was. When he comes there Carrie invites him to her room and they make love:D

Three months later Charles is invited to a wedding again and he is a best man and late again. He meets Carrie there and she is with Hamish. He is her new boyfriend and they are getting married. He feels really unhappy and he must sit with his ex-girlfriends which are very rude to him. At the end of the wedding he goes with Carrie and they are making love again.

Some time later he gets an invitation to Carrie's wedding and when he is buying a present for her he meets her in that shop. She asks him if he wants to go with her to choose a wedding dress. After that they go for coffee and they are talking about their ex-partners and Carrie had a lot of them.

At Carrie's wedding Charles and his friends decide that they will find their husbands and wives on this wedding. In the middle of the party after the wedding Gareth dies. The funeral is a few days after the wedding and no one liked Gareth but anyway he was their friend.

The fourth wedding was Charles and he is going to marry Henrietta. At the wedding he sees Carrie which tells him that she is divorced. Charles decides that he can't marry Henrietta, because he doesn't love her. Later on they were standing in front of the altar and when they should say yes he tells her that he can't marry her. She kicked him down and got out of church. Later Carrie goes to visit Charles to see if he is all right and apologize for everything, because she knew it was her fault that they did not get married. When Charles sees Carrie, he kisses her and they decide that they will live together and they will never get married.
