Dear Miss Evans,

After reading your advertisement in Dnevnik, I wonder if I would be suitable for the job.

I am 17 years old and I like children very much. I was a babysitter for a several times. I like swimming. I even won a medal in swimming and saved one child, who went into the water but he didn't know how to swim! I didn't win any medals in tennis, but my father thought me how to play. I have learnt English for 8 years and I even went to some competitions. I live in Koper, which is just a few minutes from Piran. So that is a good thing, too.

I look forward to hearing from you. I can come for an interview at any time.

Yours sincerely,
Miha
