

Ljubljana

Ljubljana is the biggest city and capital of Slovenia. Ljubljana is very big, because there are homes in countryside. The capital cities of other European countries are much bigger than Ljubljana.

Ljubljana is very old city. It is more than 2000 years old and she was built by Romans. In the middle ages she was a village and it was becoming more and more bigger and today is a city.

Ljubljana is modern city. Roads are mostly good and well supplied. There are lot of roads for bicycle riders. But sometimes, when is a lot of the traffic, at the roads rised long columns of cars, you stay there a lot of time and you become nervous.

In Ljubljana You can get everything what you need. For turist is one of best city to look at because they can see everything.
