

My ideal school

I don't like get up early, so my ideal school starts at 9am.It finishes at 3pm.,so we will have lots of time for after-school activities.

My ideal school is very big and beautiful. There is a big park on one side and a swimming pool on the other. We have a dig library with lots of useful books. We also have a basketball court and a shopping mall. We usually buy some food in the shopping mall.

We have two hours for lunch. There is a big dining hall. We can eat lunch and chat there. We can listen to pop music and watch TV in the hall. We eat fruit, vegetables and meat every day.

We have English every day, because I think English is very interesting. I love computers so we have computer every day after lunch.

I think my ideal school is very good.
