

## Zadar

Two years ago, when I was 12 years old I visited Zadar. In this paper I will describe my journey to Zadar.

I got up at 5 o'clock, we left home at 5.30 to go to Zadar. I saw sunrise, hills and finally sea. Once we stopped at the gas station, where we had a snack. We had lunch in the restaurant in Paklenica.

After lunch went to swim in to the sea, and then we continue our journey to Zadar. When we arrived to Zadar we went to coffee and ice cream. And then we went to the coast, parents sat down at the stone stairs, me and my sister we played at the water fountain. All the time I heard strange music and I did not know where it came from. Finally I found out that this is the music of waves. The waves create the sound of music on sea harmonica. I was charmed of music. Biggest waves create louder music. I sat on stairs and I could listen this music all the time.

After few hours we have to go to our hotel. I was very sad. I will never forget music of sea harmonica. Every time we passing by Zadar we took few hours for visiting sea harmonica.
