

A scenic landscape featuring a moose in a lake, surrounded by a forest with vibrant autumn foliage and mountains in the background. The moose is standing in the water, facing right. The forest is dense with trees in various shades of green, yellow, and red. The mountains in the background are rugged and partially covered in mist or clouds. The word "ALASKA" is written in large, bold, orange letters across the center of the image.

ALASKA

- Alaska is the largest state in the USA.
- It lies on the continent of North America.
- The capital city is Juneau, the largest city is Anchorage.

SPORT

- The most popular sport in Alaska is dog sledding.
- Dog sleds were important for transportation in arctic areas...

ANTHEM

The image shows the Alaska state flag, which is a blue field with eight gold stars. The stars are arranged in a pattern that resembles the Big Dipper constellation, with one star (the North Star) positioned at the top right. The flag is set against a solid blue background.

Eight stars of gold on a field of blue
Alaska's flag. May it mean to you
The blue of the sea, the evening sky,
The mountain lakes, and the flowers nearby;
The gold of the early sourdough's dreams,
The precious gold of the hills and streams;
The brilliant stars in the northern sky,
The "Bear," the "Dipper," and, shining high,
The great North Star with its steady light,
O'er land and sea a beacon bright.
Alaska's flag to Alaskans dear,
The simple flag of a last frontier.
