

A night photograph of a canal scene in Amsterdam. In the foreground, a stone arch bridge spans a dark canal, its surface reflecting the warm orange lights from the surrounding buildings and street lamps. The bridge is adorned with small, glowing lights along its arches. On either side of the canal, there are rows of traditional Dutch houses, their facades illuminated from within, showing various shades of yellow and orange. The sky above is a deep, clear blue, suggesting it's either dusk or dawn. Bare trees stand in the background, silhouetted against the sky.

Amsterdam :)

Description

- The capital city of the Netherlands
- Population: 800,000
- Total area: 100 km²
- Located in the province of North Holland

Amsterdam

- The image is a horizontal collage. On the left side, there is a dark blue triangular shape containing white text. The text reads '• Natural
• Artificial
• Green'. To the right of this blue triangle is a white triangular shape containing a silhouette of a green tree. The background of the entire image is a light gray color.
