

# Miley Cyrus

Miley Ray Cyrus or Destiny Hope Cyrus was born on 23.11.1992 in Nashville in Tennessee to Leitia and country singer Billy Ray Cyrus. Her parents named her Destiny Hope because they believed that she will do great things with her life. And they give her the nickname »Smiley« which was later shortened to »Miley« because she smiled all the time. She has two half-brothers Brandi and Christopher Cody, one half-sister Trace one sister Noah and one brother Braison. She is an American actress and pop singer.

In year 2001, when Miley was eight years old, she and her family moved to Toronto in Canada because her father was filmed the television series Doc.

At the age 11, she saw the movie star Hannah Montana and then at the age 12 she was playing a »Miley Stewart«.

Her first album was in the second season of Hannah Montana (Meet Miley Cyrus). On July 22.2008 she released her second studio album under her own name, which is named Breakout.

Production on the fourth and final season of Hannah Montana began on 18.1.2010. In the aftermath of the Haiti earthquake she appeared on the charity singlet "We are the world: 25 for Haiti" and "Everybody hurts. Her second studio album "Can't be tamed" was released on June 21.2010.

Miley told in the Seventeen magazine that she and Nick Jonas had dated for two years and "were in love", but were "fighting a lot" by the end. After the break-up, Miley says "I got to be myself and just figure out who I really am".

In June 2009, Miley ended her nine-month relationship with model Justin Gaston shortly before flying to Georgia to film "The last song". Just one year later she began dating with Australian actor Liam Hemsworth.

In August 2010, the relationship ended and one month later they were seen together again.
