# I`ll be there for you...

So no one told you life was  
gonna be this way  
Your job's a joke , you're  
broke, your love life's D.O.A.  
It's like you always stuck in  
second gear  
When it hasn't been your day,  
your week, your month, or  
even year but,

I'll be there for you  
When the rain starts to pour  
I'll be there for you  
Like I've been there before  
I'll be there for you  
Cause you're there for me too.
