

An interview with proffesor Branko Loger

He was born on 22.10.1961 in Celje. He is married and has 2 children. He was going to highschool in Celje, aftet that he went on college for physics and math.He teaches in the school for 20 year. He is the class teacher of 1B class. Do you know who that is?

Branko Loger interview

What subjects do you teach on SUAŠ?

I´ve been teaching on SUAŠ for 20 years and i am a proffesor for math and chemistry

Have you taught on other schools beside SUAŠ?

yes.I taught on Celje economical school for 1 year and for 2 years on highchool Jožeta Plecnika

Why have you taught on SUAŠ for 20 years?

I feel good on SUAŠ.I like the students here.I like being with students because they are forever young while im growing old.There are always coming new generations and i stay the same.But the best thing I like here are my colleagues.

Which class has stayed in your memory the most that visited SUAŠ? and do you like any class perticulary that is visiting SUAŠ now and why?

The most i remeber my class whose ive been a class teacher in 1994. This class will always be in my memory.

I like all the classes but specially im proud of my class 1E because i dont have problems with them and i hope i wont have them in the future.

Do you have any special hobbies?

I do. In my free time i like to play chess,cycle and write songs.

How long have you been writing?

I´ve been writting for long time now. I´ve got 7 collections and 1 published book called »Razglednica iz mesta«.
