

Hello!

We will present you our dream holidays.

As of course for everybody else, for us too the best vacation is time without school.

But It doesn't go like this.

Our dream holidays are a place with good music, nice beach, friendly people, beautiful landscape, so everything is relax.

And one of this places is Jamaica.

Jamaica is the biggest Caribbean island, It lies 150 km south of Cuba. On the island is a tropical climate with the yearly temperature around 28°C.

On the island, as big as half of Slovenia(10. 990 km₂) live more than two millions people. On the east of the Jamaica rise over 2000 meters high peaks Blue Mountains. On the biggest part of the island is dominating tropical vegetation only on the most dry arias svetch savannas with low bushes and vare trees.

85% people in Jamaica have a beard and long hair with Dreadlocks.

The majority of the people in Jamaica is Rastafarians.

We chose Jamaica because of the big Bob Marley. Bob is the idol of many teenagers. A lot of them admire Rasta colors – Green, yellow and red.

Let us present you Bob shortly:

Robert Nesta Marley (a real name of Bob Marley) was born 6. 2. 1945 on the Jamaican countryside – St. Anne's parish. He left home at the age of 14 of Kingston – to words his dreams – to become a musician.

He had a successful carrier.

Two of his greatest hits were a: Don't worry, be happy and No women no cry.

Marley was also a good football player. He liked playing sports. He died of cancer 36 years old. He died a 11. 5. 1981.

He had 4 daughters and 6 sons.
