1891

1896

CONTINUED IN THE ZÜRICH

POLYTECHNIC SCHOOL

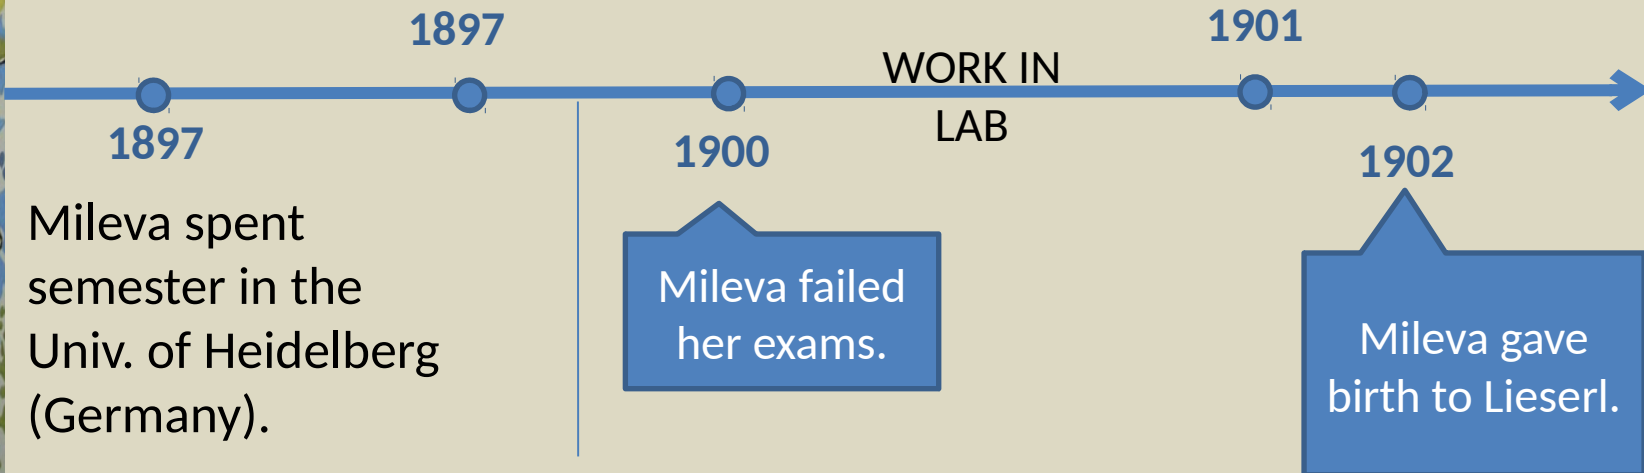

Went to University of
Zurich.

Royal Classical High School
in Zagreb (she was the first
girl who could share a
classroom with boys).

Relationship with Einstein...

Mileva and Albert began writing to each other. He nicknamed her „Dollie“. He actively courted her.

Mileva became pregnant . Albert saw her rarely, because she was in Heidelberg.

Einstein`s parents were against the relationship, because she was from different religious and cultural background.

Marriage with Einstein...

They got their first son - Hans Albert.

1904

They moved to Prague where Albert became a professor at the German University.

1910

1903

Albert and Mileva got married in the Bern City Hall on January 6.

1910

They got their second son - Eduard.

1911

Einstein became famous and he traveled a lot. He had an affair with his cousin, Elsa Lowenthal.

Divorce from Einstein...

Mileva and children moved, because Albert had a job in Berlin.

1914

After seven nominations, Albert wins the medal for Nobel prize in physics. He gives the prize money to Mileva.

1921

1919

Mileva and Albert got divorced.

Albert gives Mileva a written list of harsh rules to obey if she wants to stay married. Within 3 months Mileva and the boys return to Zurich.

Mileva died in hospital in Zurich.

1945

LIFE AFTER DIVORCE

- Son Eduard suffered for schizophrenia.
- In 1933 last time when Mileva saw Albert.
