# My own coin designs

Predmet Angleščina

# Hello Everyone!

- I choosed this task, because I like Art.
- I had to design new coins for Slovenia, and today I will describe them.

**0, 1 €**

**Aljaž Tower** represents Triglav.

- Aljaž Tower (Aljažev stolp) is a tower on the summit of a highest Slovenian Mount Triglav.
- It was designed by Jakob Aljaž, Slovenian composer and mountaineer.
- *Why?*
- I've decided to insert Aljaž Tower, because I thought, that Triglav is

# 0,2 € Pen

- It represents Slovenian writers, because we have a lot of them (Such as France Prešeren, Oton Župančič, Srečko Kosovel, Ivan Cankar, Desa Muck, Dane Zajc, ...)

# 0,5 € Blaze

- I choosed tipical Slovenian Knafelc Blaze. It represents mountains.
- In Slovenia, we have Alot of mountains and Mountain trails, and they are marked with Paint Blazers.
- Slovenian hiking and other Trails are marked by a red and white round sign known as Knafelc blaze after their designer, Alojz Knafelc. They have been used since 1922.

**0,10€**

# **Park**

- I choosed a bench and a tree behind it, to represent Slovenian parks.
- Why?
- 10% of Slovenia is covered with the parks.

0,20 €

## Lipizzan

- Lipizzan breed takes its name from one of the first studs located near the Kras village of ***Lipica, Slovenia.***
- Lipizzaner is a breed of horse, and he comes from House of Habsburg, today associated with nations of Austria, Slovenia and Croatia.

# 0,50€ Church

- Slovenia is on the top of the European list of churches; It has the largest number of churches, in terms of population.

**1€**

# **Carniolan honey bee**

- **The Carniolan honey bee is native to Slovenia.**

**2€**

## **Brown bear**

- I choosed Brown bear, because  
Popularity of Brown bears in  
Slovenian woods is the biggest in  
Europe.

**Thank you!**
