

Lojze Slak was born twenty third july ninteen thirty two in a village Jordankal near Mirna peč. His childhood (otročtvo) was mainly (večinoma) spent with his grandmother on Mali Kal, because his family had ten children and because of mother disease(bolezen) he must leave their house before first year of his live. Also this was effected on his future. His uncle Ludvik, where he gone live, had an accordion, and for a little Lojzek this instrument was very interesting. Before he went first time at the school he could play accordion very good. When he was fifteen years old he started playing on a marriages (poroka). He said that was marriagess his the best music school.

In ninteen fiftyseven was first time to behave (nastopati) in radio station. The public was fascinated. In ninteen fiftynine was spring up (nastati) ensemble of Slak's brothers. That ensemble was playing three years, but his brothers Matija and Tone must to the army. Lojze found three new singers and they went to the competition. His song " Domači vasici " become his first hit. In ninteen sixtyfour he found group " Fantje s Praprotna " and become to apear in (nastopati).

Lojze also had a profession (poklic) to which he could spend (preživljati se). He was the driver of the company Petrol. In ninteen sixtyone with her wife Ivanka got first son Slavko, sixteen years later they got son Robert too.

Now he live in Šentvid, but he like visiting his vineyard cottage (zidanica) in a Trška gora. There produces dolenski cviček.
