

My country Slovenia

It lies between four countries:

France Prešeren (1800-1848)

He wrote the anthem of Slovenia – Zdravljica.

We can find his portrait on 2€ coin.

The anthem of Slovenia is Zdravljica

The capital of Slovenia is Ljubljana

City core – Tromostovje (by Jože Plečnik)

Tromostovje are three bridges that are situated in the middle of Ljubljana, and passes the river Ljubljanica which flows through this city.

Maribor

Maribor is the second largest city of Slovenia.

It lies on the river Drava.

Lent is the oldest part of Maribor.

Ptuj is the oldest town of Slovenia. It is situated in Podravje. Important for history of Ptuj is Ptuj castle.

Sava – longest river in Slovenia

The longest river in Slovenia is **Sava**. The Sava Bohinjka is a beautiful alpine river which pours out in the Lake Bohinj. **Lake Bohinj** is the largest natural lake of Slovenia.

Karst

We are very proud on **Karst**, because of caves, underground rivers and lakes. The two of most visited caves are **Postojna cave** and **Škocijanske caves**. Trought the Postojna cave you can take the ride with small trains. There you can see an animal – a human fish who live just in this cave.

About sixty percent of the country's surface is covered by woods.

Triglav and Aljažev stolp

The highest mountain in Slovenia is Triglav (2864m).

On the top of Triglav is Aljažev stolp.

Lake Bled

Lake have
an island on
the middle
and there is
a very old
church on it.

We also have 46km long coast line and there are two big tourist cities:

- Koper (there is biggest Slo. port)
- Portorož (is the one of country's largest tourist area)

Thank you for your attention!
