POSEBNOSTI:

Ko glagolom dodamo končnico -ing, lahko pride do naslednjih sprememb:

1. Če se glagol konča na -e, le ta odpade, nato pa dodamo -ing (have – having)
2. Če se glagol konča na kratak samoglasnik ter soglasnik, se soglasnik oz. zadnja črka podvoji (put – putting)
3. Galgol BE, ne moremo pretvoriti v present participle!!!
