POSEBNOSTI:

Ko glagolom v trdilni obliki za osebami He, She, It, dodamo končnico -s, pride do določenih sprememb:

- če se glagol konča na: - o, - ss, -sh, -sh, -x, -es, dodamo končnico - es!

- če se glagol konča na: -y, in stoji pred njim soglasnik, se y spremeni v -i in se dobi končnico - ies (carry – carries)!
