# Cape Town

An aerial photograph of the Johannesburg city skyline during twilight or nighttime. The city is densely packed with buildings of various heights, with a significant concentration of skyscrapers in the central business district. The most prominent feature is the Sandton City tower, which stands tall and illuminated. Other recognizable landmarks include the Carlton Centre and the Hillbrow Tower. The sky is a hazy blue-grey, suggesting either dawn or dusk. The overall scene conveys a sense of urban density and architectural variety.
