

TUAMOTU

An aerial photograph of a tropical island. A long, narrow wooden pier extends from the sandy beach into the clear, turquoise ocean. The water is shallow, revealing a sandy bottom with scattered dark rocks. In the distance, the water transitions to a deep blue, and a few small white boats are visible on the horizon. The sky is a clear, light blue with a few wispy clouds. The word 'TUAMOTU' is written in large, bold, red capital letters across the center of the image.
