HARRY Well you'd need a water

DOUGIE 'Cos I would've packed
that for my holiday!

HARRY Well it was your idea to
dig a hole, I'm trying to help.

DOUGIE I said I might dig a hole!

What are you all like at
putting up shelters?

DANNY I'm very good actually.

TOM Yeah, if you crash with Danny
you'll be fine. You'd have a five-

star beach villa...

DANNY You'd have a TV and
everything, I'd make some

speakers out of the trees.

TOM We'd probably do alright if
we were stranded! I'd cook. Harry

could kill animals, Danny would

be the builder and Dougie...

DOUGIE I'd be the knowledgeable
one on animals.

Would you eat weird
groceries and shellfish?

DANNY That's where Dougie
would be good...

TOM Yeah. Dougie's the sea
expert.

DOUGIE I'd be willing to give up
my hand as food...

Oh. Right.

DOUGIE I've eaten things like wax
worms in the past.

Surge! What would you
do to while away the
middle hours on the
island?

DOUGIE Apart from dig a hole?

TOM I'd build a guitar.

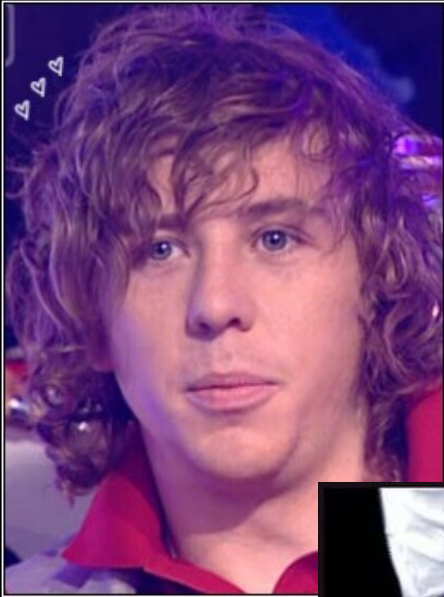

**EXCLUSIVE
