SAMOSTAN MANASIJA

SAMOSTAN RAVANICA

The background image shows the interior of a grand mosque, likely the Süleymaniye Mosque in Istanbul. It features a large central dome with a complex ribbed structure. The walls and ceiling are covered in intricate Islamic geometric and floral patterns. Several arched windows with decorative grilles are visible, allowing light to filter into the space. The overall atmosphere is one of historical grandeur and architectural precision.

HVALA ZA POZORNOST
